

# Surface Laptop SE for Education

The most affordable Surface device for students

## Power and portability to support blended learning

Give students a clamshell device that unlocks learning, making the highly-regarded design of Surface approachable for any budget.

- Power creativity through a full school day with long battery life<sup>2</sup> and an 11.6-inch screen
- Load and run apps and files effortlessly with the Intel® Celeron processor and modern eMMC storage
- Be seen and heard clearly in virtual class sessions with a 720p HD camera and digital mic

## Engaging experiences for the modern classroom

Windows 11 SE optimizes performance with curated, education-first apps designed to run well on budget-friendly devices.

- Get the best of Microsoft—including Office 365 and Minecraft Education—with simplified UI\*
- Help include students of varying disabilities with accessibility apps and tools
- Enable access to files and productivity apps both online and offline in Office 365\*

# More about Windows 11 SE

- Enable IT to pre-install and pre-pin key apps that enable learning
- Enhance student focus with streamlined Start Menu and windowing
- Rely on powerful, built-in, always-on security and threat protection
- Defend against unsafe web content with Windows Defender SmartScreen
- Get low-touch deployment with Windows Autopilot
- Easily manage devices remotely with Microsoft Intune\*
